HardiePlank™

HardiePlank™ lap siding is the siding by which all others are measured. The most popular brand of siding in America HardiePlank lap siding is available in Select Cedarmill® which offers a natural texture, Smooth which offers a classic, finely-sanded appearance, and Beaded Cedarmill® and Beaded Smooth with the look and charm of a country beaded lap.

Beaded Cedarmill

HardieShingle™

HardieShingle™ siding has the same warm, authentic look of cedar shingles, yet it resists rotting, cracking and splitting. It's beautiful as a primary siding or as a complement to our other siding styles. With James Hardie vertical panels, trim and soffits, the entire exterior of your home will give you years of lasting beauty.

HardiePanel™

HardiePanel™ vertical siding is equal to our lap siding in value and long-lasting performance. When you combine HardiePanel vertical siding with HardieTrim boards you create an attractive Board and Batten look. Few exteriors compare with the charm and character of this look, along with the durability and ease of maintenance.

Sierra 8 Panel

HardieTrim™ boards and HardieSoffit™ panels are the perfect complement for all James Hardie® siding products.

A complete James Hardie exterior ensures you will have a low maintenance home for years to come.

HardieTrim™ Boards

Our trim boards add the finishing touch to a beautiful home. They provide unmatched durability in corners, columns, rakes and friezes that allows for a consistent overall appearance.

HardieSoffit™ Panels

James Hardie soffit products have the rich, warm appearance of wood without many of the problems with wood-based products. HardieSoffit panels are available vented or non-vented, in a range of pre-cut sizes.
